TSI Introduction

Tecno Solar Industries stands at the forefront of Pakistan's renewable energy transformation, carrying forward the legacy of TECNIO Group since 1971. We deliver complete solar energy solutions designed to meet the needs of homes, businesses, and industries across the nation. Our portfolio includes Tier-1 solar panels that ensure high efficiency and durability even in Pakistan's toughest climates. Complementing these are advanced hybrid and on-grid inverters, offering intelligent energy management and seamless performance. To secure uninterrupted power, our IP65 lithium batteries provide long life cycles, safety, and reliable backup for all conditions. With trusted warranties, nationwide dealer support, and a people-first approach, Tecno Solar is providing energy products.

Established in 2022 as official, value added partners of **Top Tier-1** solar brands **JA SOLAR** **Trinasolar**

Official Distribution partners of **GOODWE** in Pakistan.

NOVA IP-65 LifePo4 energy storage solutions setting the benchmark in lithium category.

Extensive network with **100+** active dealers nation wide.

Installed **4MW** in **TOYOTA** INDUS MOTOR COMPANY LTD., **700KW** in **PAKISTAN SAFETY GLASS**, **700KW** in **star** TEXTILE PROCESSING INDUSTRIES and **1.2MW** in **TECNO**

Deployed **339.8 MW** electricity in Pakistan

TSI Business Partners

JA SOLAR

Tecno Solar is an authorized distributor of **JA Solar** in Pakistan. Provides **high-efficiency, durable PV modules** through this partnership. Brings a **globally trusted solar brand** to local customers.

Trinasolar

Tecno Solar is a **recognized partner** of **Trina Solar**. Delivers innovative, smart PV solutions like Vertex modules. Strengthens Pakistan's access to **world-class clean energy**.

GOODWE

GoodWe is an official partner of Tecno Solar Industries. Tecno Solar offers **GoodWe's** hybrid and on-grid inverters (**8–50 kW**). Together they deliver efficient, safe, and scalable solar system.

TSI Lahore Outlet

TSI Product Line

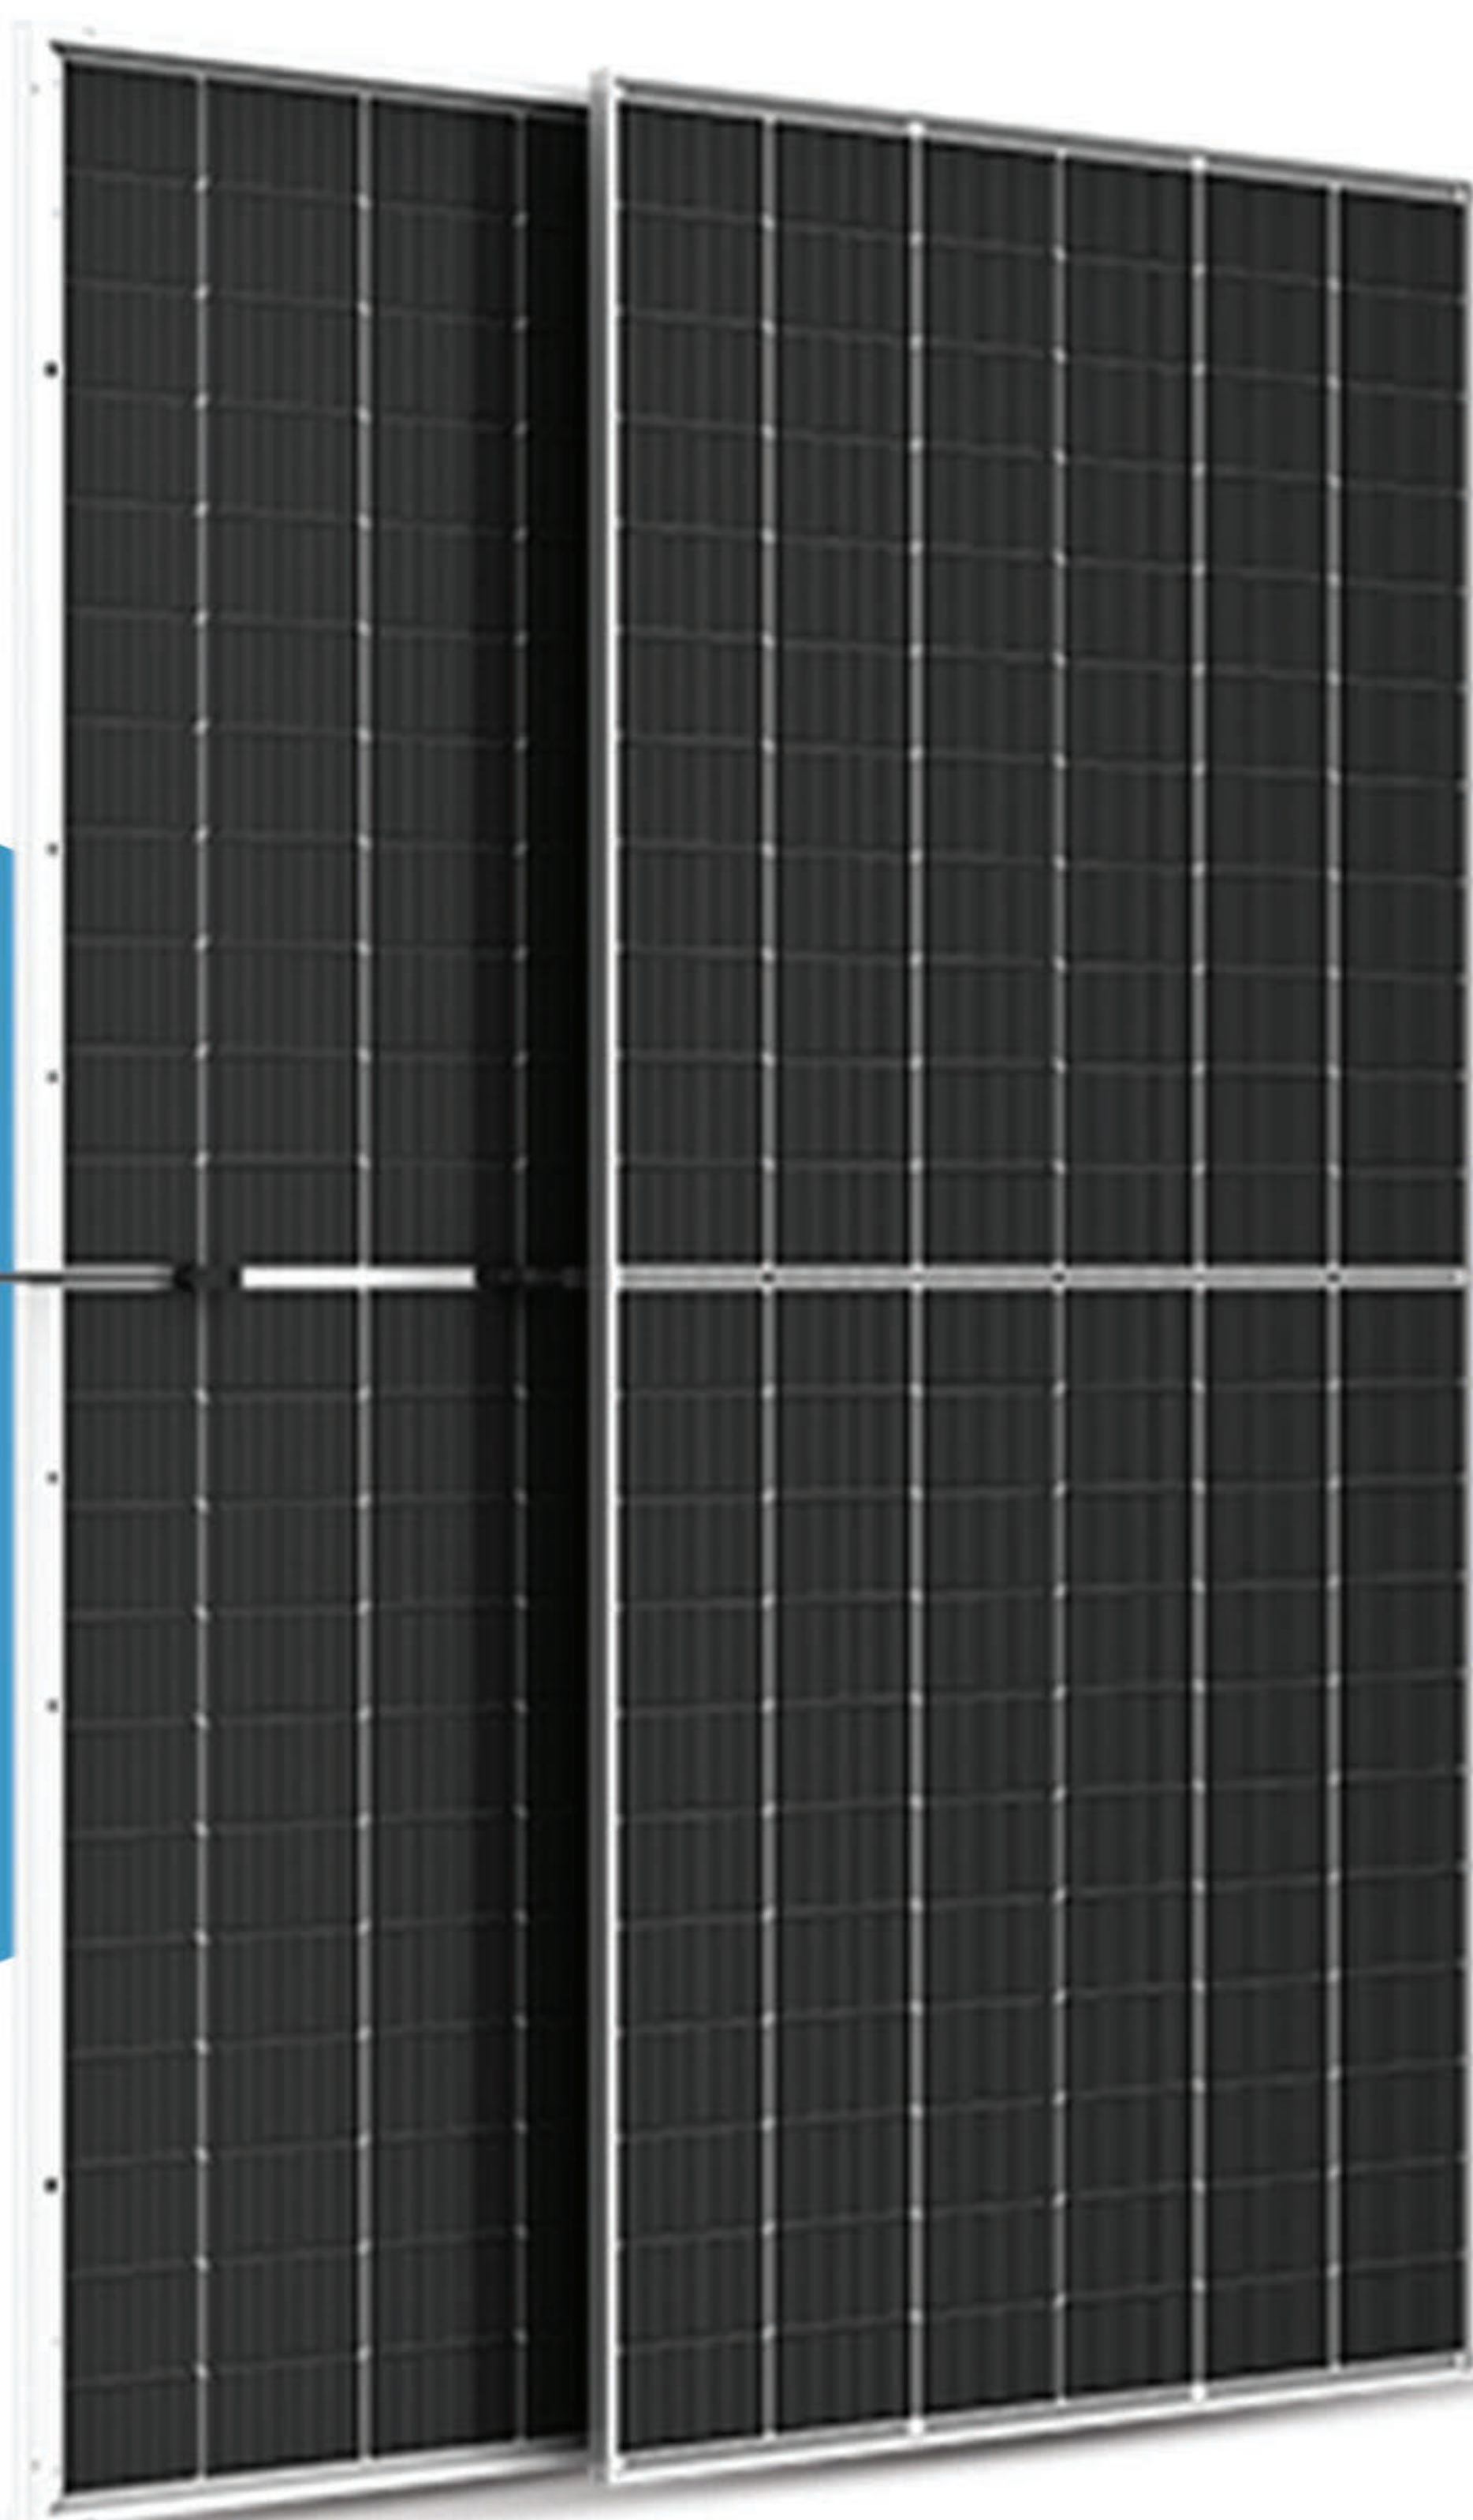

JA SOLAR

SKU : 590w | 605w | 610w | 615w | 710w

Trina solar

SKU: 610w | 615w | 710w | 715w

GOODWE

3-Phase On-Grid/Hybrid Inverters

HYBRID INVERTERS: 8kW, 10kW, 12kW, 15kW, 50kW
ON-GRID INVERTERS: 10kW, 12kW, 15kW

TSI-NOVA Batteries (IP-65)

TSI-NOVA LifePO4 lithium batteries are able to provide you superior performance, durable lifecycle, high safety & long-lasting reliability under different situations. NOVA provides state-of-the-art high-quality lithium cell with IP-65 protection and advanced BMS technology. TSI-NOVA 12.8V, 25.6V & 51.2V series lithium batteries, which are popularly used for industrial, residential, and commercial solutions, such as solar storage power system, and home ESS.

TSI-NovaCube-12.8V100Ah

Compatibility

LV Inverters | UPS | MPPT Charger

TSI-NovaCube-25.6V100Ah

Compatibility

LV Inverters | UPS | MPPT Charger

TSI-NovaWall-51.2V100Ah

Compatibility

Inverex | Auxsol | Solis | GoodWe | Growatt | INVT
Voltronic Power | Luxpower | SolaXpower | Sako | Saj | Solplanet
and others.

I N D U S T R I E S

Vision

We envision a Pakistan where every community thrives on clean, reliable energy — made possible through advanced solar technology and a deep commitment to sustainability, innovation, and empowerment.

Mission

Our mission is to deliver future-ready solar solutions — IP65 lithium batteries, hybrid inverters, and Tier 1 panels — empowering homes, businesses, and installers across Pakistan with trusted, sustainable energy independence.
